NB. American Recorder Society members may receive a discount - EJP

Dear American Recorder Society Chapter,

Here's the latest quarterly recorder music letter from Recorder MusicMail in the north of England. We hope you find it of interest.

The celebrated Flanders Recorder Quartet are embarking on their farewell tour, and they talk to Tom Bickley in the Summer 2017 edition of [The Recorder Magazine](#). Peter Bowman discusses the use of breath in recorder playing, and SRP's new President, Jonathan Dove, is introduced.

This issue's free Centrespread is *Notes for Noreen* by Julia McKinley. Also included are reviews, courses, letters, news, SRP and ERTA.
